Wall Coupling Types

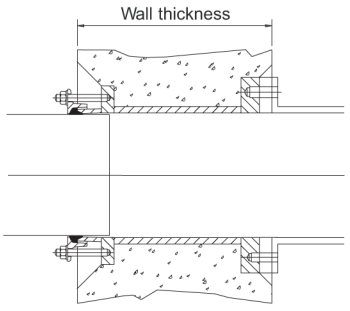

Although the Type 1 (coupling each end) is the basic standard,
the Viking Johnson Wall Coupling system gives a variety of nine types:

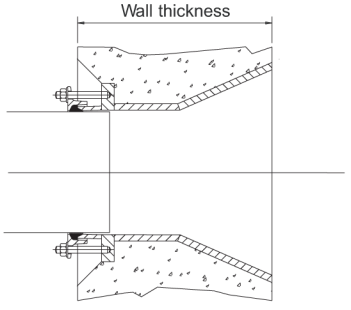

Type 1 Coupling/Coupling

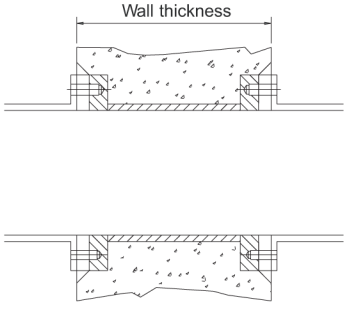

Type 2 Coupling/Plain End

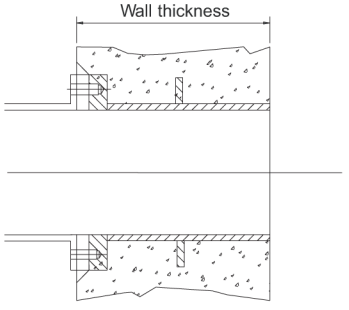

Type 3 Coupling/Flange

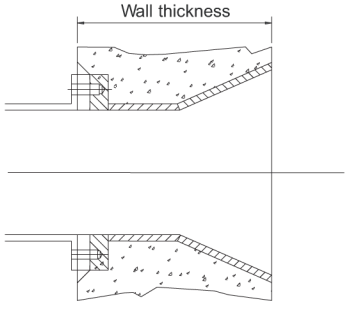

Type 4 Coupling/Bellmouth

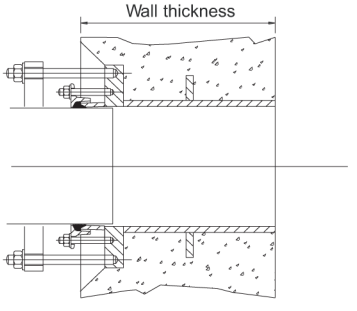

Type 5 Flange/Flange

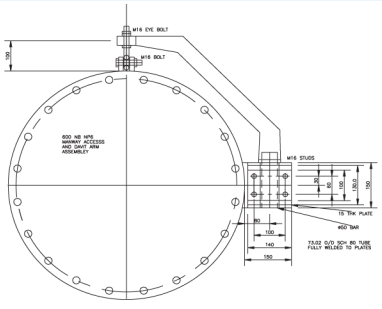

Type 6 Flange/Plain End

Type 7 Flange/Bellmouth

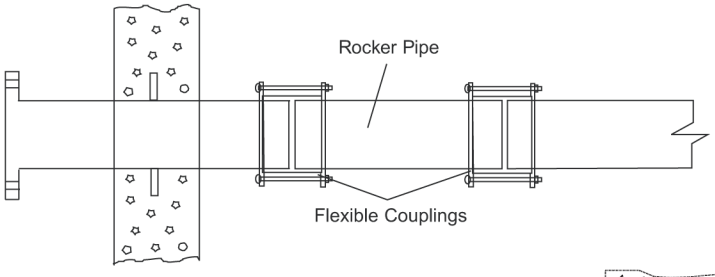

Type 8 Harnessing

Type 9 Man Entry
